For he counteracts the powers of darkness by his electrical skin and  
glaring eyes.

For he counteracts the Devil, who is death, by brisking about the life

For in his morning orisons he loves the sun and the sun loves him.

For he is of the tribe of Tiger.

(...)

For by stroaking of him I have found out electricity.

For I perceived God's light about him both wax and fire.

For the Electrical fire is the spiritual substance, which God sends from  
heaven to sustain the bodies both of man and beast.

For God has blessed him in the variety of his movements.

For, tho he cannot fly, he is an excellent clamberer.

For his motions upon the face of the earth are more than any other  
quadrupede.

For he can tread to all the measures upon the musick.

For he can swim for life.

For he can creep.

*Jubilate Agno-Christopher Smart*

And pricks hunger for cats imagined

Burning as sadly as the sun

*Invocation of Almost-Current 93*

# **EL BIOMBO**

BASADO EN LA CANCIÓN HOMÓNIMA DE Ô PARADIS,  
DEL ÁLBUM *SERPIENTE DE LUNA, SERPIENTE DE SOL.*

Si me voy lejos es para ver

nuevas miserias

Un biombo de otro color

Que esconde

lo mismo

Caminando por un  
desierto de ideas

sin saber  
a dónde voy

Mama Mushka, 

Acampamos en piedemonte.  
Incluyo en el boceto un tronador  
bicéfalo y una cría, retozando  
bajo el sol. Ojalá no se excedan,  
es un día muy bueno como para  
que llueva. El escuadrón sigue  
inquieto y en guardia. Mantén  
la calma, este desasosiego  
acabará pronto y volveré a casa.  
Todo bien.

Te extraña,  
Tommy.

A M. Katkins

Calle 5, casa 23

Pussydom, Catland.
